Fundamentals of Effective Sales Management

A New Workshop for Leasing Sales Managers

June 7-8, 2006

**Hilton Garden Inn
Chicago Downtown**

Chicago, Illinois

Key Benefits of Attending

- Increased understanding of what makes for an effective sales manager in leasing
- Build your ability to take practical steps to agree, communicate and deliver sales budgets and plans
- See and use three powerful ways to improve the sales results of individuals
- Develop your skills in dealing with high-performers, under-performers and the middle of the road salesperson
- Work on ways to balance your own selling time with your role as a sales leader
- Explore ways to weld a group of individual sales people into an effective sale team
- Examine the options for visiting the customer with your salespeople. Work on different techniques for different situations.
- Benchmark yourself and your sales team against your peers
- Take time to reflect on how effective you are and refresh your motivation
- Come away with powerful, practical tools to help you meet and beat demanding sales and profit targets

Your sales managers are on the line to make things happen for the organization. Give them the skills to perform at their best.

Fundamentals of Effective Sales Management

June 7-8, 2006 • Hilton Garden Inn Chicago Downtown • Chicago, Illinois

A New Workshop for Leasing Sales Managers

This workshop is designed to stimulate thinking and action for sales leaders in ELA member companies. The agenda brings together specific sales management issues in leasing with proven techniques that will generate sales growth.

Attendees will be asked to complete a secure and confidential web questionnaire prior to their arrival that will provide benchmark data. Attendees will be able to compare their sales effectiveness with their peer group without revealing their individual data to others.

Who Should Attend

Sales professionals who are currently in management positions within equipment leasing companies.

Workshop Schedule

Day One

Workshop Agenda

I. Trends, challenges and opportunities in strategic sales management

- Insights and comments from thought leaders
- Observations from Mercuri International in the marketplace
 - Sales trends and challenges in leasing (includes findings from the Mercuri/ELA sales management benchmark survey)
- The measurable links between effective sales management and the sales result

II. Converting the business strategy into a concrete plan to secure the sales result

- Spotting the differences between success and failure
- Gathering and assessing market information in leasing
 - What is happening out there in the marketplace?
 - What changes do you see over the coming year?
- Setting and communicating clear sales policies
 - Options on customer segmentation and grading; channel management, product design and mix; sources of organic growth from new products and/or new customers
 - Where does sales strategy fit in the business and financial strategy
- Effective target and budget setting using multi-dimensional approaches
 - The challenge of agreeing on sales targets that mean something to individuals, are achievable and which deliver what the business needs
- Managing activity and competence

III. Directing and managing activity. The three aspects of sales activity that leaders can influence: Quantity, Direction and Quality of sales activity.

- The role of the sales manager in monitoring, analyzing and planning
- Quantity of activity
 - Ensuring that there is enough sales activity by individuals and teams
 - Benchmarking levels of sales activity
- Direction of activity
 - Product, channel and customer mix

Fundamentals of Effective Sales Management

June 7-8, 2006 • Hilton Garden Inn Chicago Downtown • Chicago, Illinois

Workshop Agenda *continued*

- Multi-level selling – taking the leasing message to a strategic level in the customer
- Balancing existing and new business to optimise a sustainable result
- Introduction to key account management into the sales strategy
- Quality of activity
 - Sales processes and benchmarking
 - A look at sales process, conversion ratios and other key indicators
 - The link to competence

IV. The strategic impact of building sales competence

- The link between competence and result
- What does sales competence look like for leasing companies?
 - Benchmarking of sales competences
- The role of the sales leader
 - Defining and measuring competence
 - 1:1s
 - Joint visits
 - Sales meetings

V. Motivation and how it applies to sales people

- What really motivates people?

VI. Options for creating, building and retaining a motivated and competent salesforce – Recruitment, Training, Coaching, Rewarding

- Key people skills for sales managers
 - Listening and giving feedback
 - Working with individuals: coaching under-performing, high performing and middle-raking sales people
- Joint visits: why these matter and ways of working. Techniques for different scenarios
- Sales meetings: bringing people together to make a sales team

VII. Action Planning

Attendees build their own 90-day plan to make sure they get payback from the workshop

VIII. Concluding Remarks

About Mercuri International

Mercuri International, the largest sales performance and training consultancy in Europe, was founded almost fifty years ago. The company is a recognized expert in helping organizations to grow organically via improved sales efficiency. Their goal is to optimize the sales processes and develop the people and managers involved in them.

Mercuri International employs over 700 people, with a presence in 40 countries around the globe. They have been chosen as a partner by more than 15,000 organizations, some of which are operating in up to 20 countries simultaneously. Relationships with clients have lasted for more than 15 years. Each year Mercuri delivers more than 18,000 events attended by over 330,000 individuals.

Mercuri's success comes from working alongside their clients with an absolute focus on the partnership to improve the organization's market position.

About the Instructors

RICHARD HIGHAM

Richard is the global sector head for financial and professional services for organic growth specialists Mercuri International. He has won and led relationships with some of Europe's largest financial institutions. His deep experience of long term projects in the financial sector include the design and delivery of comprehensive sales, service and leadership programs in financial institutions across Europe.

Over the past fifteen years he has worked with over 3000 individuals from more than 30 financial institutions, ranging from banks to accountants, actuaries, insurers, fund managers and private equity and asset finance houses. He writes regularly for publications such as *Financial World* on business development and relationship management issues.

Beyond the financial and professional services sector, Richard specializes in strategic account management. He was part of the Mercuri International/University of St Gallen team that conducted research with 560 European companies and then developed an account management model and toolkit.

Beyond the financial and professional services sector, Richard specializes in strategic account management. He was part of the Mercuri International/University of St Gallen team that conducted research with 560 European companies and then developed an account management model and toolkit.

JAMIE BARRETTE

Jamie Barrette is Vice President of Mercuri International. With a background in international business, Jamie has worked with a division of the Canadian Pacific group of companies for over 20 years holding positions that included General Manager and Director of Marketing for North America.

Jamie helped to lead in the development of the North American market over six years ago. Today, Jamie is currently the coach for the leadership team of a major Industrial Manufacturer; the sales strategist and trainer for several corporate North American sales teams; consultant to a major international transportation company; and project leader on several international projects.
